«Here's to thee, Peoria High!
Forever we will work for thee»—

«In honor and in love we pledge
Our highest loyalty.»

FOREWORD

JUST as Peoria has grown from a mere trading post to the present city, so have Peoria's schools developed. And so, to measure Peoria High's growth and to record her activities during the past year, we have used as the theme of the 1932 *Crest*, a few of the important steps in our city's history.

The *Crest* staff presents this book with the hope that Peoria High students will enjoy looking over the record of their high school days now, and in the future when they will be fellow-citizens of Peoria.

DEDICATION

As we graduate from high school and find ourselves out on life's highway, we begin to appreciate, in ever-increasing measure, how faithfully and tirelessly our parents have guided us thus far, and how wisely they have sought to prepare us for our life's journey. They have given us love and understanding, and every opportunity within their power, our high school education being one of the most important.

With sincere appreciation, thankfulness, and love, we dedicate this 1932 *Crest* to our parents, the citizens of Peoria.

FACULTY

As THIS County Court House, built in 1835, indicated the governmental power in the young community, so the faculty is the authoritative body within our little "village" of 2000 students.

MR. E. C. FISHER
Superintendent of Schools

It is indicative of a high type of culture that our young people have reached a point in their educational development where they, willingly and thoughtfully, sense the fine fundamentals in the faith of their fathers.

Recognizing that they are the heritors of the best in every generation that has been passed along to them, they want, in this way, gratefully to dedicate the 1932 Crest to their parents and to that fine pioneer stock from which they sprang.

"Faith of our Fathers, living still".

—E. C. FISHER.

Peoria High School during 1931-32

THIS year there are nearly two thousand students at Peoria High School; owing to increased enrollment and insufficient number of rooms, a two shift day was introduced at the beginning of the year. The first shift begins at 7:56 A.M. and ends at 1:19 P.M.; the second shift starts at 11:11 A.M. and closes at 4:34 P.M. There are eleven hours in all, each shift remaining seven hours. The fifth, sixth, and seventh hours are lunch hours. Each hour is forty minutes in length. On Wednesday there are assemblies after seventh hour, the two assemblies alternating with the two lunch hours. The freshmen and sophomores go to the first assembly, and the juniors and seniors to the second.

On Wednesdays when there are no assemblies there are activity days, following the same program as assembly day. On these days club meetings are held, each club having at least one meeting a month. Each student is allowed three clubs. Among the new clubs formed this year are the Archery Club, Astronomy Club, Radio Club, Home-Craft Club, Kodak Club, Stamp Club, and Movie Makers Club. Astronomy and Geology study groups convene after school once every week.

The most important additions to our school system are our new teachers. Miss Anna Tjaden, Supervisor of Home Economics in the Peoria Public Schools, introduced a new subject first semester,—Home Economics for boys. Miss Katherine Jackson is the new teacher of Harmony and Music. Miss Mamie McGrath and Miss Helen Munsterman both teach English. Mr. Joseph Meyers and Mr. John Dunlop came at the beginning of the second semester, and are in the Social Science department; Mr. Meyers also teaches English. Mr. William Norris teaches Commercial subjects; Mr. Joseph Yuhaue, Manual Arts. Miss Lucille Triebel teaches Home Economics for two periods each day. Mr. Llewellyn Wiley teaches Algebra and Geometry. Mr. Irving Bradley, who has directed the band and orchestra at Peoria High in past years, is now here every day instead of once or twice a week, as formerly.

No account of Peoria High School activities for the year would be complete without mention of the Parent-Teacher Association, which was very active during 1931-1932. Its many projects included the creation of the Memorial Library which has added many books to the school library, and the purchase of new uniforms for the band. Regular monthly meetings were held, on which occasions parents had the opportunity of talking with the teachers about the pupils' work at school. The association co-operated with the principal and faculty in advancing the work of the school and in interesting parents in the school. Officers for the year were: president, Mrs. C. H. Gamble; vice-president, Sidney Williams; secretary, George Reagan; treasurer, Mrs. Anna Wisman; Committee chairmen: program, Harold Lynch; membership, Dan Anderson; refreshment, Mrs. A. F. Johnson; finance, Bruce Ruth-erford; social, Miss Janet Buswell; attendance, Attorney W. J. Peck; school events, Miss Helen Cornelius and Coach Salen Herke.

Mr. J. H. BREWER

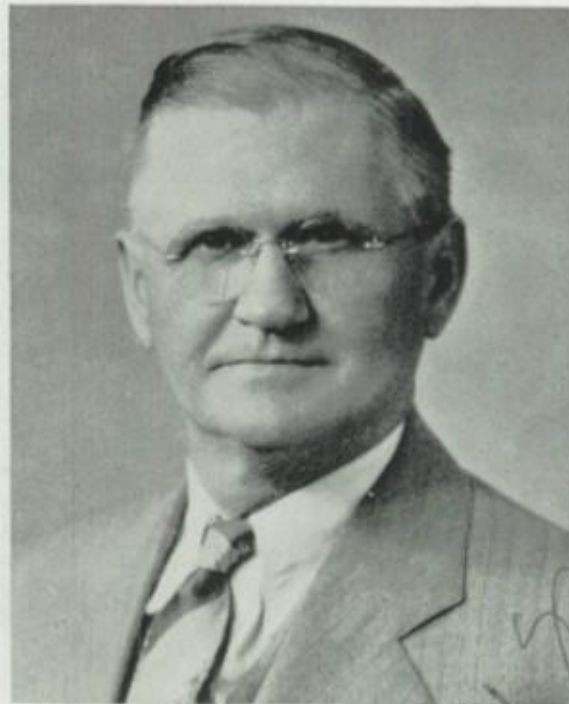

Principal

Peoria, your name has come to us from the Indians who dwelt upon the banks of the gentle stream that formed a pathway from lakes to sea. The story of your history is filled with interesting events. Your annals are filled with the names of illustrious men and women. Your sons and daughters have filled high stations with integrity. Your religious institutions and institutions of mercy have ministered nobly to a grateful people. Your commerce has carried your name beyond the seas. Your factories have fenced the fields, plowed the soil, and threshed the grain of farmers at home and abroad. Your scenic beauty has allured the traveller, and your hospitable people have entertained him. Your progress has been steady and sure. Your provisions for the health, happiness, and education of your people have been generous. May Peoria High School appreciate and be worthy of this rich heritage.

—J. H. BREWER.

MISS ELEANOR B. WATSON
Dean of Girls

MR. SANFORD MURPHY
Dean of Boys

Eleanor B. Watson

DEANS

Miss Watson has been the Dean of Girls for two short years, but in that time she has proven herself more than capable of the many duties of her position. To the girls who go to her for assistance and counsel, she is a wise adviser, a tireless champion, and a true friend. May Miss Watson continue in her Deanship for many years!

During the years that Mr. Murphy has been Dean of Boys, he has made himself indispensable in the life of the school. Not only does he look after over a thousand boys, but he is also the school treasurer, and the business adviser of the *Crest*. We admire him especially for the care and thought he gives to each individual case which is brought before him, and above all for his sense of humor, which seems to carry him through all difficulties. We're for you, Mr. Murphy!

FOUR years have gone by since the class of '32 entered Peoria High. These years have passed swiftly, and now we are about to be graduated, the largest class that has ever gone out from Peoria High School. We have mingled work and pleasure in order to get the best from our school life.

Not only do we have quantity, but also quality; for we have accomplished many things under the leadership of our advisers, Miss Clausen and Mr. Williams. Through the co-operation and loyalty of the members of our class, we have supported the school in many activities. This loyalty was evident also in our class play, and the picnics and dances sponsored by the class.

No one will ever forget the great event of our junior year—the Prom held at the Pere Marquette Hotel. Lovely decorations, a good orchestra, and a merry crowd all made it a successful dance.

Through the efforts of the coach, Miss Helen Cornelius, the cast, the stage crew, and the entire Senior Class, our class play, "The Poor Nut", was one of the most outstanding plays ever produced at Peoria High School. Another "red-letter" date in our Senior year was the Senior Hop, which was held in April, in the Boys' Gym.

We stand high intellectually, having had many of our members on the honor roll and shark list. In athletics, too, our class has made a fine record.

Now graduation is drawing near. We are looking toward that goal, and also beyond it. We intend to uphold the standards taught us during our high school days, and to realize the ideals which have been instilled into us. We have a vision before us of even higher ideals, which we shall strive to reach during the increasingly difficult journey of life.

ACTIVITIES

ABRAHAM LINCOLN's address in Peoria on October 16, 1854, was a high light in the humdrum life at that time. Thus the activities of Peoria High vary the routine of school life.

Top Row—Sheahan, Siepert, W. Hill, Ground, Bush.
Second Row—Greer, Keller, Hendricks, Taylor, Mr. Heghin.

Student Council

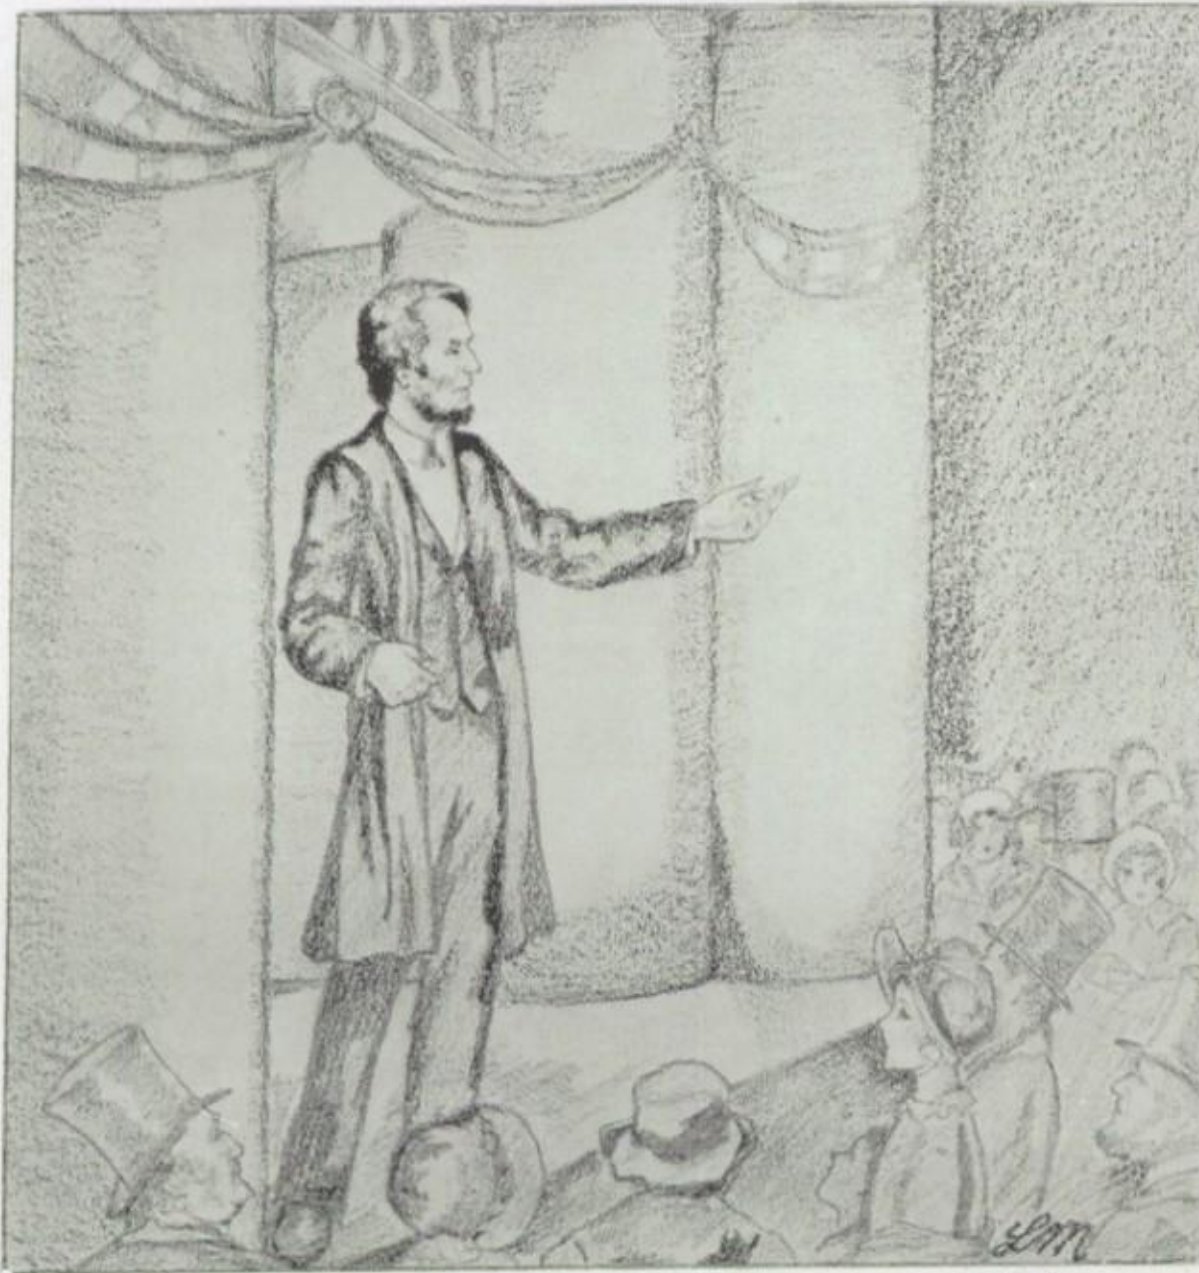

THE following are the achievements of Council for the year 1931-32:

In order to teach the students how to vote in public elections, a system of school elections similar to the city elections was adopted: before the elections, registrations were held; no one could vote unless he was registered. Two general elections were held: one for the four members-at-large of the Council, the other for the presidency of the school. The point system was revised in several minor points to comply with the wishes of many students.

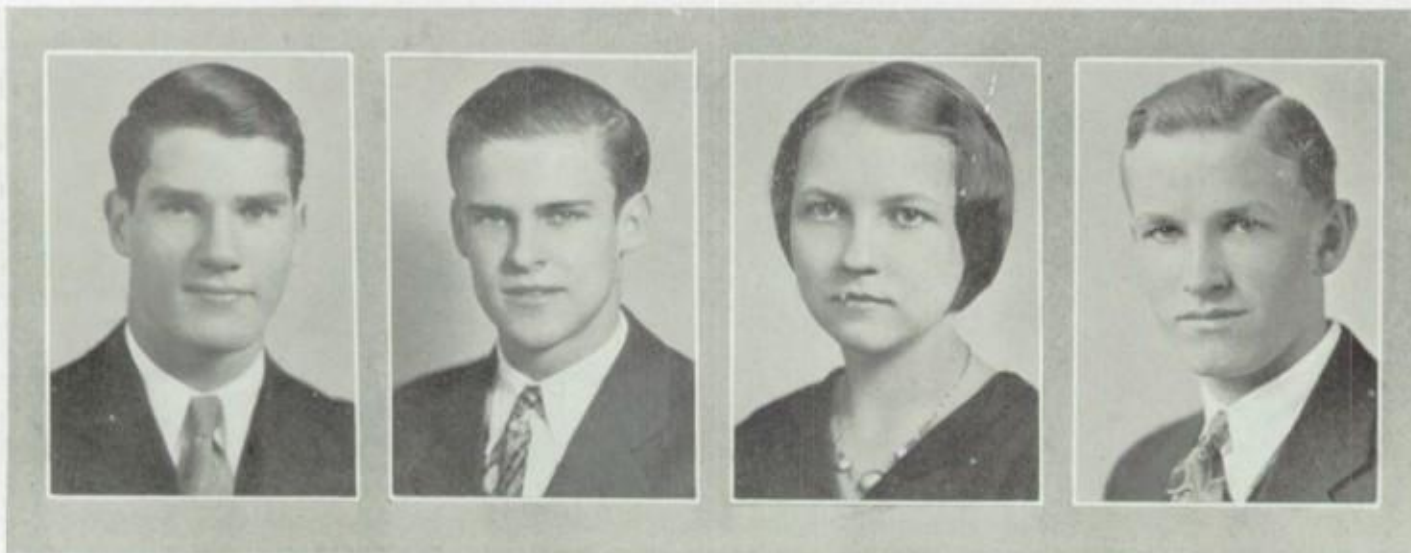

Student Council took charge of five assemblies. Pep meetings were arranged for each important athletic contest of the year, and a very successful parade was held before the Manual-Peoria Central football game. The Social Committee sponsored an evening dance and three matinee dances which did much to promote school loyalty among the students. In order to "boost" the school spirit, a Booster Club was organized to lead yells and songs at games.

The Council carried out successfully the organization of the Peoria High School Alumni Association. A revised edition of the "Maroon and Black" was published as a handbook for the students and incoming freshmen. In complying with a suggestion of Mr. Brewer, Council took the initiative in completing a uniform constitution for the classes, which is now incorporated in the "Maroon and Black". The book exchange, which handled many books during the year, did a real service to students. The Body Guard System was extended to accommodate the new school routine.

In order to insure greater efficiency in all branches of work, three "ex officio" members were included: the magistrate of the Body Guard, so that the law enforcing department should be represented; a delegate from the athletic department appointed by Mr. Herke; and the editor of the Opinion. Finally, Council, through its secretary, checked the names of sick students each week, and wrote them letters of sympathy and condolence.

THE Student Council, composed of a selected, elected, alert, and democratic group of students, through its many fine achievements has served our school faithfully. It was under the leadership of its congenial and trustworthy president, William Hill, and Mr. Y. A. Heghin, the faculty adviser, whose untiring effort and constructive suggestions were very valuable for the success of the Council's plans and policies.

Committee chairmen of the Council include the following: Eleanor Wrigley, sanitation and grounds; Dorothy Kinser, '31 "Maroon and Black" distribution; Betty Robinson, alumni association; Eleanor Wrigley, '32 "Maroon and Black" publication; Al Siepert, book exchange; Robert Ground, Booster Club. Al Siepert, as vice-president of Council, was chairman of the social committee.

Council's purpose this year was to further the spirit of co-operation and school loyalty between the students of the two shifts, and to render all possible service to the office and the faculty.

Student Bodyguard

THE STUDENT BODYGUARD system of Peoria High, organized last year, was greatly extended this year in order to accommodate the new shift system. This system is composed of the magistrate, Glen Kidder; two praetorians, Arthur Reichelderfer and Lyall Smith; and eight captains, Maynard Steeg, Ed Hudgens, Mary Ann Miller, Janet Niederhauser, Carl Weers, Bob Simpson, Jean Frye, and Floyd Feldman.

This system was successful because it was entered into whole-heartedly by all of the prefects and received the full co-operation of the student body.

The members of the Bodyguard took charge of all places where no teachers had jurisdiction. They co-operated with Student Council in endeavoring to keep the halls, stairs, and school grounds clean and neat; and to enforce the school constitution, and all laws and rules passed by Student Council. They carried notices and did errands for the office; they were in charge of the primary and final elections for representatives-at-large for Council and for president of the school. Conference slips were given to those students who deliberately violated school laws after a warning had been given them.

The Bodyguard system has existed in order that habits of service to the school might be formed and in order that the Council and school laws might be obeyed.

Science and Math Club (Continued)

BOTANY GROUP: The group in botany was organized to satisfy the interest of the Science Club in that field. The group strives to acquaint its members, in an informal way, with the methods of classifying the wild flora of the Peoria vicinity. Field trips serve as the study periods, and plants as the laboratory equipment. The afternoon division is conducted by Miss Kinhofer, while Mr. Sommer has charge of the morning group.

GEOLOGY GROUP: The geology group was organized by Mr. Shepherd for those who wished to further their knowledge in Geology. The activities of the group consisted of meetings after school each week, at which time historical geology of the Peoria region was studied with a view to field trips over the region in the later months of the school year. Rocks and minerals of our own region were studied, identified, and collected for the science department.

ASTRONOMY GROUP: The astronomy group, organized by Mr. Epstein, met weekly for study and observation of the phenomena of the heavens. Evening meetings were held, at which time the stars, planets, and other heavenly bodies were observed with the use of telescopes. The principal constellations were recognized, and the characteristics of certain stars and planets were studied. The observations of individuals during the week were reported and discussed at the meetings.

SYNOPSIS OF SCENES

ACT I—The little room in the tower of the Chateau Beset-Sur-Aisne. 10 o'clock at night.

ACT II—The same. One hour later.

ACT III—A few minutes later.

This play was repeated at Manual at the request of Principal Russell. Printed in the program was the following comment: "The play which you are about to see was so admirably done by the Jusendra Club that we wanted you all to see it. With some misgivings we made bold to ask Central to present 'The Tower Room Mystery' to you. The ready response that was given our request was a demonstration of real sportsmanship, and merits our most hearty applause. Our wish is that the rivalry between Manual and Central may never grow dull nor the friendship cold. Three cheers for Central—our most loved rival, and still our best friend."

The Opinion

THE OPINION, the publication of Peoria High School for forty-three years, and weekly paper for seven years of that time, has added many achievements and improvements to its credit during the school year of 1931-1932.

The business staff has had its biggest year in advertising. A greater percent of the paper is given to paid advertising than ever before.

During the first half of the year the South Side News printed the Opinion, and the second, the Journal-Transcript. The setting of type and the making up of pages was done by the printing classes.

The honors received were the distinguished rating at the Illinois State High School Press Association; third place rating among schools of 1500 or more students at the Columbia Press Association; recognition in the Quill and Scroll magazine, and numerous letters from Opinion enthusiasts and outside critics.

At Christmas time, a sixteen page edition was issued; and on April 15, a seven page magazine section by the English and journalism classes was put out in connection with the regular eight page paper. During the presidential election, the Opinion printed bulletins of the returns, which were posted around the school.

At the first of the year the size of the pages were decreased for convenience, but four pages were added.

The Opinion made many improvements in the press room. Among them are the new Intertype machine, the lighting system, the new layout table, and the additions to the type fonts.

The editorial staff, under Mr. Earl English, instructor in journalism, salesmanship, printing, and advertising, includes Elizabeth Dillon and Alison Howard, co-editors; Virginia Dillon, Jean Lowe, and Virginia Shepherdson, assistant editors; and a large staff of reporters, including Terry Castricone, Walter May, Ed Kilgus, Billie Christian, Harold Eckard, Dorothy Connett, John Carver, and John Sheahan. Dave Harris was the business manager; Dave Miller, head of the advertising department; Maynard Steeg, circulation manager; and Paul Naffziger, in charge of the mailing.

The humor columnists included Ed Kilgus, Evelyn Dwyer, Charles Wing, Lee Stephens, Leah Stein, and Robert Bayles. Fleta Dille had a literary column and Carl Stolp, the poets' column. James Daugherty and William Conway were the sport column writers. Editorials were written by Al Siepert. Fleta Dille and Dorothy Kinser were in charge of the church column. Marjorie Priddy was the editor of "Little Biographies". Patricia Braun wrote "Who's New?" Berna Dean Sturm was the exchange editor. The staff photographer and artists were Harold Stoops, Bud Ellis, and Ray Olson, respectively. Dorothy Kinser's column, "Seen in the Shops", and Ed Kilgus' article on Lincoln were given honorable mention by Quill and Scroll.

Workers in the "Black Hole" on Wednesday and Thursday nights were Maynard Steeg, Elizabeth Dillon, Alison Howard, Virginia Dillon, Jean Lowe, Virginia Shepherdson, Charles Wing, and William McGee. Bob Ellis and Everett Cox, graduates, set type and were general handy men on those nights.

The Opinion, in spite of its handicaps, endeavored to be of the greatest possible service to the school, to emphasize accuracy and punctuality, to be an incentive for student composition, to encourage the use of everyday words, and to have complete coverage of news.

ON ACCOUNT of the two-shift program in the school this year, it has been especially difficult to edit the 1932 *Crest* and attain all those ideals which each member of the staff has had for the book. All on the staff have worked faithfully, with the hope that the 1932 *Crest* may be a success, and we appreciate the co-operation given us by Mr. Brewer, the Deans, the office, the faculty, and the student body as a whole.

We wish to thank those who have helped the editors with their work. Jean Lowe assisted Lois Maurer, who did most of the excellent art work for the book. Assisting Margaret Waggoner with the Senior section were Lucille Knobloch, Virginia Meredith, Margaret Naffziger, Betty Wetherell, Mary Laura Roszell, Shirley Harms, Ruth Conron, and Virginia Eyster. Mildred Smith helped Maxine Adelman with the calendar, and Ralph Ellis did the clever drawings for that section. Lucille Knobloch and Ed Kilgus wrote features for the feature section, helping Sylvia Cohen with her part of the work.

Special recognition is given to all those who helped with the *Crest* assembly, especially to Miss Buswell, who directed it. We thank the advisers and the representatives of the groups, who helped in the campaign so that we exceeded our goal of 1,000 books. Those who made posters for the campaign include Evelyn Reents, Beulah Corbin, Arthur Perham, Ray Olson, James Cole, Bertha Meneley, Marian Gates, Helen Rigdon, Billie Thawley, Earl Scherff, Mary Porter, Jean La Teer, Winifred Carroll, Fred Norton, Curtis Hoggatt, Roland Johnson, Frank Bennett, John Gates, and Donald Kopp.

We wish to thank especially the sponsors of the *Crest*, who have worked untiringly, and have always been ready to give advice and assistance wherever it was needed.

The honors awarded to the 1931 *Crest*, a First Class Honor Rating in the National Scholastic Press Association, and a Distinguished Rating Certificate from the Illinois High School Press Association, have set a goal for this year's staff. With the hope that the 1932 *Crest*, also, may win honors for Peoria High, the editors present to the student body this book, which they believe contains a complete and authentic record of the events of the school year.

Directors of Athletics

"The Old Fox", otherwise known to Peoria High students as "Doc" Herke, has just completed his sixteenth year as Athletic Director at Peoria Central. "Doc" has made great showing this year with his well uniformed teams, which show the influence of his discipline and training. "Doc" not only coaches the teams but also has freshmen and sophomore boys' gym classes, where he finds new material for his varsity teams. If "Doc" were to leave P.H.S., the school would feel a great loss, because without the familiar, "Hello, everybody," each morning, the school would not be the same. Here's hoping that Coach Salen Herke will be with us for years to come!

Coach Claude Trimble, Peoria High's "Southern bluebird", is a great find for P.H.S. Trimble is a favorite among the students as well as among the faculty. He is "Doc's" chief aid as business manager and assistant coach of the teams. Before each game Trimble, with his familiar Southern drawl, can be heard selling tickets, and urging the students to come and cheer the teams on to victory. You should hear him "putting the pep" into pep meetings!

Athletic Board

THE athletic board is to the Athletic Association what a board of directors is to a business concern or a corporation. They are the watch dogs of the treasury.

They authorize the purchase of all new athletic equipment for all branches of sport and vote the payment of same when it has been secured. All other expenditures are also voted by this board. The athletic board consists of nine members, and is made up as follows: three students, three faculty members, and two school inspectors. The three students are all from the senior class. The three faculty members are the principal, the athletic coach, and one other member chosen by the principal. The secretary and one member represent the board of school inspectors on the athletic board.

The principal calls all meetings and presides at them. Meetings are held once every two months or oftener if needed.

Rutherford

Senior Manager

Bill Rutherford was awarded a letter this year for having successfully completed his fourth year as athletic manager.

The work of his first three years was very dependable, and he has shouldered the added responsibility as chief manager this year, one of his main duties being the sale of tickets for all athletic events.

Cheerleaders

"All right, gang, whatsa matter with the cheerleading squad?"

"They're all right!"

You bet they are, and that is why Central has so many backers—because of the work of our cheerleaders.

For the first time, a junior held the position of head cheerleader—Cliff Bourne. He was assisted by Jack Dempsey, Carl Friedman, Ray Fraser, Fred Vance, and Harvey Swisher.

These boys deserve a great deal of credit, because they attend all the games and back the team one hundred per cent.

Junior Managers

Norman Deobler and Robert Strubhar have successfully completed their third year as managers. Their duties this year were to keep the equipment in condition, take care of the field and the gym floor and prepare them for games, make preparation for tickets and pep meetings, and to promote athletics in general.

The boys have been alert and sincere about their work, and will more than fulfill their positions next year as head managers.

Lettermen's Club

AFTER being absent from the activities of the school for a year, the Lettermen's Club again comes into view. As their president, they elected Rolland Lyons and backed him in every way.

The boys strive to encourage school spirit by backing the team and going to all the games and activities of the school.

The fellows this year have combined good times and work, resulting in a successful year, and they hope their club may continue in years to come.

Trainer Conway

What's "Soap Suds"? Bill Conway, our trainer, writes that column for the Opinion, and everybody likes it, too.

And everybody likes Bill Conway! He has been taking care of equipment, grounds, and athletics ever since Doc Herke came here in 1916.

Bill's famous soap-box speeches make him a well-liked "orator" as well as trainer.

The gallant Maroons picked Bob Swisher to lead the attack against the foe. Quick on his feet and alert in his thinking, Bob fulfilled his position as quarterback and was a great figure on the field at all times.

THE first game of the season for Herke's eleven was a victory over Kingman on September 19. The hot weather made it difficult to play, but the team worked up a good aerial attack and won the game by a score of 13 to 6.

The second game was called on September 26, when the powerful Decatur eleven invaded Peoria. Saccenti's and Hinton's outstanding playing for Peoria was well balanced by the work of Captain Hill of Decatur. As the gun sounded the final phase, the score was 0-0.

Kewanee defeated the Central eleven, 14-0, in the first night game of the season on October 2. In the first quarter, Central played brilliant ball, but after that was outsmarted by the Orange and Black with the great offensive work of Peterson and Goode.

Bang! The first inter-city game for Central ended with the Maroons the victors. Oakley ran 70 yards for a touchdown, and in the fourth quarter Lyons snagged a pass and took the ball over the line, bringing the score 13 to 7.

THE second night game of the season found Peoria High playing on the gridiron at Champaign High. Peoria boys displayed their talent with a fine passing attack, backed by Saccenti and Oakley. For Champaign, Grolla was the stellar player. When the final whistle blew, Peoria was the victor, 8 to 0.

Coach "Pug" Dale's flashy Streator eleven was downed by the Centralites in an exciting game played in mud and rain. Central showed power and gained constantly throughout the game. Saccenti, with his long passes, and Oakley, with his fleetfooted running attack, were the heroes for Central. As the gun sounded, the score stood 25 to 0 in favor of the local team.

Peoria Central dropped its first Big Twelve game at Springfield on October 31. Peoria showed hard playing in the first quarter, but Springfield came back strong and scored two touchdowns in the second quarter and one in the third. Oakley, although in for only a few minutes, played stellar ball. Peoria had a good passing attack, but lacked power to push the ball over the line, thus giving Springfield the count, 19 to 6.

SAYLES

WITH the swiftly moving Saccenti carrying the pigskin for Central, Moline had the anchors put on them by a score of 13 to 0. Peoria went over for its touchdowns in the first quarter and was the outstanding team throughout the game.

In a pouring rain and on a field of slippery mud, Peoria Central downed the Pekinites 20 to 0. Peoria scored in three out of four quarters. To climax the game, Lyons ran 60 yards for the final score. With outstanding work by Swisher, Saccenti, and Lyons, the Maroon machine worked in tip-top fashion.

Manual upset Peoria High 13 to 6 in the annual Turkey Day game, snagging the city prep championship. Central started strong and put over a touchdown in the first quarter, but Manual with unseemingly power broke through the line for touchdowns in both the first and third quarters. Starring for Central were Saccenti and Swisher, while Manual boasted the work of Shoup and the line. All the Maroon players put up a good fight, many of them doing their last bit on the gridiron for old Peoria High.

1931-32 Basketball Team

CENTRAL's basketball squad did not finish this year with a very strong season's record, because of inexperience; but, nevertheless, they have kept up their spirit and this has done a great deal toward making a good machine.

One of the season's most important games was one of the games with Manual, when the score stood 14 to 14 at the end of three overtimes. The boys all showed great skill in this exciting game.

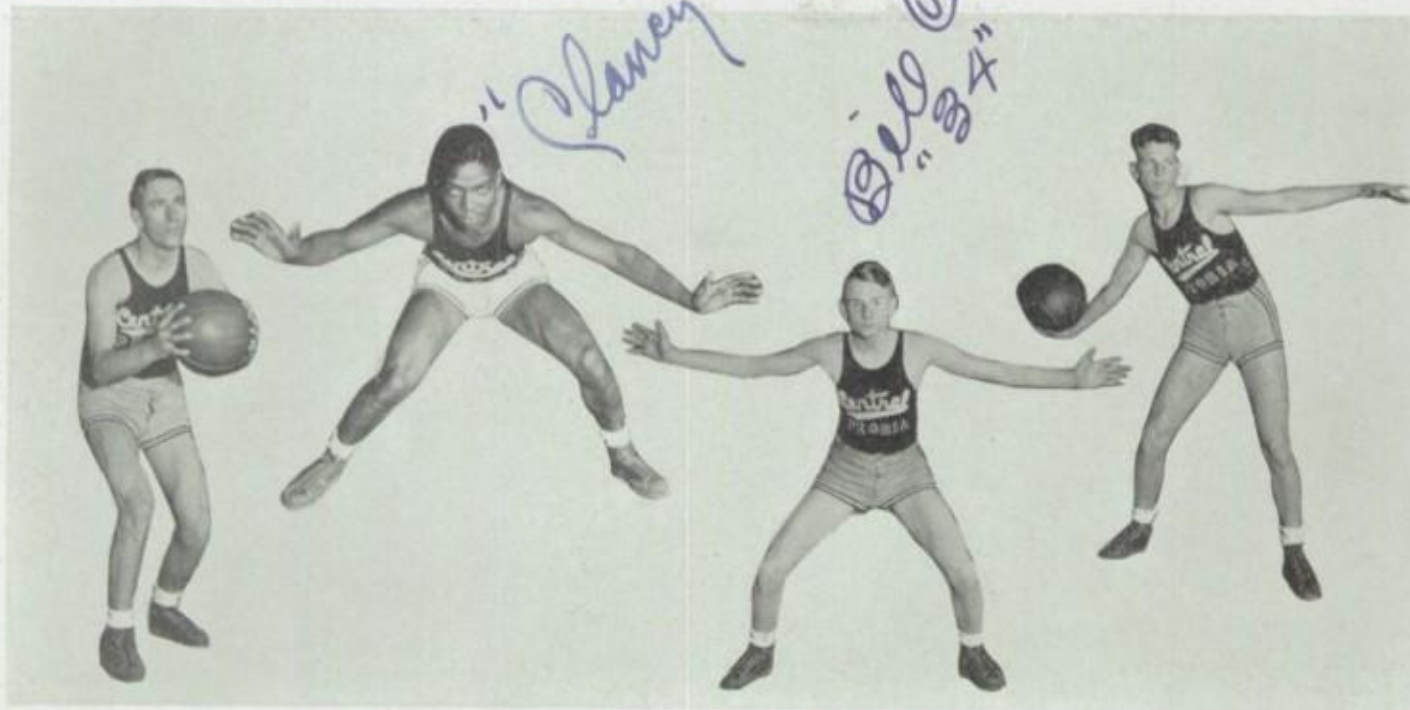

The team finished the season with seven wins, fourteen losses, and one tie. Everyone is looking forward to seeing these boys make a big showing next year. Let's go, fellows!

Galvin

"Tommy" Galvin was chosen by his team-mates as the captain of the 1931-32 basketball team. He is a junior, and has displayed his ability on the floor at all times. Tom works with the team, and the team works with him. Galvin is said to be one of the best players in the Big Twelve this year; so great things are expected from him during his senior year.

Outstanding Track Men, 1931-32

AS A RESULT of the untiring ability of Coach Earl English, the Maroon squad again has gone to victory. Not content with telling and training his men how to be winners, every evening Mr. English dons his track suit and goes out with them to emphasize his instruction by actual example. Mr. English is a valuable track man, having gained much experience while at Kalamazoo, Michigan.

Roger Tannhauser, the big lanky senior and outstanding low hurdler of the school, has the spirit that many lack. He holds the Big Twelve record for the 220 yard low hurdles, won at the conference meet held at Springfield, Ill.

Bob Swisher, a senior, is a conscientious worker, and one of the school's best athletes. Swisher, this year, is the holder of the pole vault record made at the state meet in the stadium of the University of Illinois. Bob topped the bar for a height of 11 feet, 10 inches, a fine record.

Charles "Abie" Barnes, the Maroon flash, has gained wide popularity this year, because of his ability as a runner and broad jumper. "Chuck" is holder of the all-time central running broad jump record, 21 feet, 4 inches, having made this record at the National Interscholastic meet at Stagg Field, University of Chicago.

Albert Spurlock, a lad never to be forgotten by P. H. S. students, is now holder of the high jump record. On May 9, 1931, Al broke the record at the district meet held at Lincoln High School, clearing the bar for a clean leap of 5 feet, 10 inches, a figure which rates with university records.

1931 Track

EVENT No. 1

Fifth Annual Central-Pekin Dual Meet.

Central won the meet making 3 out of 5 wins. R. Tannhauser was high point man with $4\frac{1}{2}$ points. New records established: in 120 high hurdles by Tannhauser, and in pole vault by R. Swisher.

EVENT No. 2

First Annual Toulon Invitational Meet at Toulon, Ill.

Peoria was first with 40 points.

Scoring points for Central: 440 yd. dash, K. Ames, first. (Time—.54, new record.) 220 Low Hurdles, Tannhauser, first. (Time—26.6.) Broad Jump, C. Barnes. Javelin and Shot Put, J. Peer.

Peer was high point man with 9 points.

EVENT No. 3

Ottawa Relay Carnival at Ottawa, Ill.

Central was weak in this meet, receiving a fourth place. Central Freshman Relay Team won third in 880 yd. run.

EVENT No. 4

1931 Tennis Team

COACH SEDGWICK spurred on his tennis team to many victories during 1931. The first meet, held at Pekin, ended in a tie, 3-3. Central took the old rival, Manual, by a score of 4-0 in the second meet. Later, Central again beat Manual 4-0.

The sectional tourney was held at Normal, where Central entered the single matches only. Sweney beat Herr, 6-1 and 6-1. In the second round Sweney won, 6-0 and 6-2. Coker reached semi-finals, to be beaten by Penser of Normal, 6-2 and 6-3.

Coker and Sweney journeyed to the Big Twelve, where Coker went to semi-finals, while Sweney lost in the first round. In the first round Coker and Sweney lost a thrilling battle at doubles.

Rating: Coker '31, Sweney '31, Levitin '31, Siepert '32, Finney '32, May '33, Wm. Marshall '33, Sively '34, Taylor '33, Cutter '33. Coker and Sweney received letters, while Levitin, Siepert, and Finney received numerals.

1931 Golf Team

FORE—was the cry heard by Maroon golfers in the 1931 season. Headed by George Miles, the Centralites won 6, lost 3, and tied 1. Miles, Hill, Durfee, and Slane represented Peoria Central at the Big Twelve, snagging second place, losing by one point.

Central sent eight golfers to Eureka, but due to hard luck, Durfee was the only one to qualify. Durfee also took part in the state meet, but failed to place.

1932 Swimming Team

AT PEORIA HIGH SCHOOL, swimming is now becoming a major sport. There has been enthusiasm this year, both on the part of the school and the swimmers.

For the first time in the history of Central's swimming seasons, the boys copped first place at the Big Twelve championship meet. Danville High has had the distinction for seven years, but now the tables are turned.

Stanley Alcorn is now holder of the Big Twelve breast stroke record, while Robert Hill is the diving champion. Central has four of the six swimming records in the Big Twelve.

Headed by Bill Essex, the Central sinkers won five of the six meets, forfeiting a meet to Champaign. The constant grind in practice is the reason for the success of the Big Twelve champs. Central is proud of the new record of its swimmers.

Bill Essex was elected honorary captain for the past year.

Advisory Group Basketball

AS IN the past three years, the Advisory Group League for this year has been divided into two groups, one for juniors and seniors, and the other for freshmen and sophomores. Mr. Deal has again taken charge of the league, arranging games and eligibility.

In the semi-finals of the league Mr. Sammis' freshman group forfeited to Miss Bunch's group, and Miss Giles' senior group defeated Mr. Shields' team by a score of 14 to 12.

Then in the finals Miss Giles' team won the championship by defeating Miss Bunch's team by a score of 15 to 10. The game between Mr. Sammis' group and Mr. Shields' group was forfeited. Mr. Trimble's senior boys declare themselves the champs of all the losers of the first tournament.

Good floor-work and shooting was displayed by many of the teams of the league. Several of the underclassmen showed especially good playing and caused much comment among the older boys.

Appell, Barker, De Ford, Dickinson
Fleming, Bierly, Nyberg

Inter-Class Basketball

HERETOFORE the inter-class basketball championship has been won by the seniors, but this year the tables have been turned, and the honor goes to the sophomores.

These boys displayed good teamwork and spirit all the way through the league. The boys are not large, but succeeded in winning five out of the six home games, while the juniors were close at their heels with four wins and two losses.

Manual's class champs, seniors, played Central's champs, and, owing to the fine work of the bluff players, Central won one of the three games.

The personnel of the class teams was as follows:

SENIORS: D. Mohr, R. Huber, J. Mason, F. Finney, M. Fearis, A. Knock, B. Galvin.

JUNIORS: S. Alcorn, B. Struhbar, A. Gebhardt, E. Nordman, H. Ferdinand, C. Schemel.

SOPHOMORES: E. De Ford, E. Livengood, L. Nyberg, B. Fleming, K. Bierly, B. Dickinson, C. Appell, B. Messmer.

FRESHMEN: J. Batchelder, D. Greene, F. Foote, G. Anderson, B. Pinkney, J. Newlin, F. Schunk, A. Agatucci.

1931 Cross Country Team

UNDER the brilliant and never-tiring coaching of David Owen, the Maroon cross country runners came through with a successful season. Captain Earl Nordman, who won six first places in seven meets, contributed much to the success of the team, which did good work throughout the season.

FEATURES

P

As the coming of the first railroad in 1854, the Peoria and Bureau Valley, was the crowning event for the little city, so this section of features is a climax to the 1932 *Crest*.

SEPTEMBER

- Sept. 8*—No, today is not St. Patrick's Day. It's just the freshmen.
- Sept. 9*—The school assumes a dignified air—the seniors are back!
- Sept. 11*—Shift? Why, that's just another new system put into force.
- Sept. 15*—Clink! Clink! The first banking day of the school year.
- Sept. 16*—What a bargain sale! Did everyone take advantage of the *Opinion*—football—assembly combination tickets that are on sale?

- Sept. 17*—Walk in and get a sample of the *Opinion*—it's free!
- Sept. 19*—5! 10! 22! 13! 98! It's no auction—just signals at the Kingman and Central football game. Nice going!
- Sept. 23*—Mr. Wemple of Northwestern University spoke to us today.
- Sept. 24*—Primary election for Student Council—no mudslinging, though.
- Sept. 26*—Listerine ads are being taken into consideration because of such yelling at the Central and Decatur game.

OCTOBER

- Oct. 1*—Election of Representatives-at-large for Student Council.
- Oct. 2*—The P. H. S. - Kewanee game was a gloomy affair: not because it was a night game, but because Kewanee won.
- Oct. 7*—A colorful all-student assembly to welcome the freshmen and to introduce to them the various clubs and activities.
- Oct. 10*—One of the most sensational football games of the season—Spalding and Peoria High.
- Oct. 14*—The Chamberlain Duo presented humorous recitations, comic sketches, and bird songs.
- Oct. 16*—"Doc" Herke's gridders played against Champaign. Central 8-Champaign 0.

- Nov. 17*—Last day for contributions for the community fund. Amount contributed at Peoria High—\$112.94.
- Nov. 25*—Annual Turkey Day game (also annual freeze) between P.H.S. and Manual.

Crest, 1932

DECEMBER

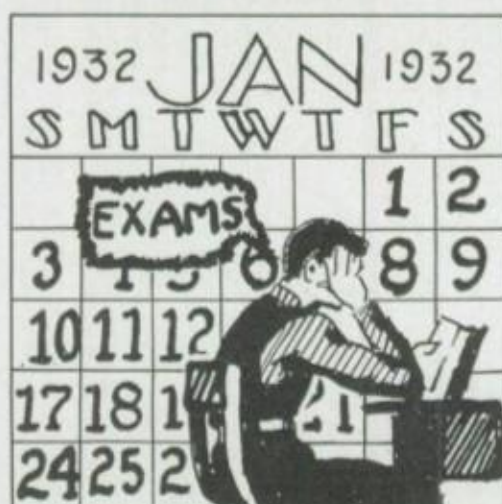

- Dec. 1*—In assembly Jack Gross, a junior, was presented with \$3.00 and a silver medal for winning second place in the D.A.R. essay contest.
- Dec. 2*—The juniors evidently are not afraid of the banks' closing for they are leading in the Big League banking contest.
- Dec. 9*—John Frye and Company, magician and novelty entertainers, presented an interesting assembly program.

- Dec. 10*—Mystery floats abroad! "Tower Room Mystery" presented by Jusendra.
- Dec. 15*—Where, oh where can our savings be? Robbers got \$227.00 in P.H.S. hold-up.
- Dec. 23*—Glee clubs sang Christmas carols in the halls while classes paused to listen.
- Dec. 24 to Jan. 4*—"Jingle bells, jingle bells." Whoa! Christmas vacation.

JANUARY

- Jan. 4*—The old grind begins again. Oh, me!
- Jan. 5*—The King Quartet entertained the student body with their songs.
- Jan. 6*—Twenty-two letters and fifteen numerals were given out by Coach Herke, rewarding the boys for their hard work in the various sports.
- Jan. 12*—The juniors must not have any Scotch in them at all. They are still ahead in banking.

- Jan. 15*—Peoria High lost a basketball game to Decatur in the third Big Twelve joust.
- Jan. 18*—Work, worry, and thought; combine; result: your "cramming" for final exams.
- Jan. 20, 21, 22*—Final exams. 'Nuff said.
- Jan. 25*—Ninety-five mid-semester "freshies" entered P.H.S.
- Jan. 26*—The rivals are at it again. Peoria High meets Manual on the basketball floor.

FEBRUARY

- Feb. 3*—"Crest" assembly! And now the campaign starts!
- Feb. 5*—What was it, a basketball game or a fight? P.H.S. versus Spalding.
- Feb. 6*—Central lost to Canton at the Armory.
- Feb. 9*—Pekin was downed by the Central cagers.
- Feb. 11*—Something new, something exciting. First matinee dance during noon hour. (Eat your lunch and digest it while dancing.)

- Feb. 17*—Lincoln program. Thanks are due to Miss Cornelius and Speech students.
- Feb. 19*—Moving pictures in commemoration of George Washington.
- Feb. 22*—Another heartbreaking (?) occasion. A vacation!
- Feb. 23*—Gerald Giving gave a fascinating talk about parts of the Orient which he has visited.
- Feb. 24*—A preliminary Speech contest was held, the winners to be sent to the McMurray College in Jacksonville to compete with other schools.

MARCH

- March 1*—The introduction of the candidates for the presidency of the school, by their managers.
- March 2*—Activity day. Ten cents to see the faculty play basketball against the lettermen.
- March 3*—Who's your favorite candidate for president? Clever campaign signs in study halls, corridors—in fact, all over the building.
- March 11*—Frederick M. Snyder, newspaper man of New York

- City, spoke on "Keeping Ahead of the Headlines."

Science Scores Again!

An interesting experiment was conducted last semester by the science department. The results were gratifying:

A number of students in good ole Peoria High (rah, rah) were interviewed concerning their textbooks. 0.0000099 students took part in the experiment. The surprising sum of 0.123456 admitted that they hadn't even heard of such things, while 0.654321 said that they used "the things"—their very words—just off and on. The rest of the pupils interviewed declined to answer. All of which goes to prove nothing, my dear Watson, nothing.

Anti-Men League

The second monthly meeting of the "Anti-Men League" was held on March 20, at the home of Margaret Naffziger, the local president. Virginia Meredith, a representative of the national league, spoke on the subject, "The Advantages of the Onion". After this interesting speech, refreshments were served. Members of the local hard-working group are: Margaret Naffziger, Charlotte Frost, Phyllis Lamb, and Loretta Beezley.

By the Class Poet!

A study hall desk revealed the following passages, written anonymously:

Elizabeth Whiteker is a shark,
 In every subject, "A" is her mark.
 Two friends who are always true,
 Are Mary Jane and Corinne, too.
 Edna Kaminsky's care free and gay,
 One likes to be with her throughout the day.
 A famous journalist to be,
 Is Ed Kilgus, just wait and see.
 Goldie Dennison's very shy,
 She blushes when a boy goes by.

Senior Class Picnic

During the latter part of May, which ushered in a beautiful Summer, in fact, the prettiest of all the Summers in the memory of the seniors, the class of 1932 held a picnic at the suggestion of Ruth and Marie. Harriet, John, and Alvin were to Foster the plans for the picnic, which was to be held in the Woods near a Hill as Harry and Bill proposed. Marie had been afraid that a Baer would appear on the scene, and James feared that it would become Rainey, but Patricia said that the boys with their Braun would protect them.

"What Bliss a day like this is," Ruth remarked, when everyone had arrived on the appointed day.

"Golly," said Bernita, "it surely is."

"The flowers here are just as if a Gardner had always taken care of them," offered Theresa.

Eileen had just started to Pitsch a ball to Frank, who was standing under a Maple tree, when Walter asked, "May we eat soon? I'm sure we're all hungry."

Armand issued the call to eat, and soon everyone came Flocken to the tables. While preparing the steak which Joe, Donald and a few girls had been asked to Cook, Marcella received several Burns. Besides the steak there were buns and potato-salad (Bill had brought a Peck of potatoes), Graham crackers brought by Clifton, and olives and pickles.

THE CRUST (Continued)

Burchard was the first one who finished Eaton and suggested that a group go rowing in a very shallow lake near-by. Genevieve rocked the boat and caused it to become Tippy.

"You'll get us into a terrible Fix if you don't stop that," Lyle said.

Genevieve paid no attention, however, and the boat turned over. Darrell was the first one to Wade to shore. The others soon reached it safely.

"I'm glad no Harm's come to you," Shirley sighed as the group dried themselves by the fire.

The rest of the afternoon was spent in playing games. "Oh, Shaw," Eloise said, "it's five o'clock already and time to go home."

"Let's have a picnic again Heer next year," Letitia suggested before the crowd dispersed. This suggestion was greeted with approval, and plans were made accordingly.

Notice: Important Contest!

The Crest staff announces a new and startlingly different contest. There are $49,578\frac{7}{8}$ prize awards, besides the GRAND PRIZE. To the winner of the first prize, the staff will give one dozen Hole-less Doughnuts absolutely free, and guaranteed to stand years of dunking.

All you have to do to win the prize is to find as many mistakes as you can in the speech given below. It is the address given by General Gettysburg after the battle of Bull Run. Remember, all you have to do is find the mistakes in the speech. Send in your solution by March 32, 1967 A.D. (after dark). The speech:

"Gentlemen of the jury:

"Once, when my brother and I lived on a hog ranch in Manhattan, we got thirsty and decided to go into town and get a drink. So we jumped into our row-boat and flew away. When we got to the city, we sprang off our trusty horses and tied them to a fire hydrant. Then we went into a shoe store and ordered a soda. The man said he was fresh out of silk shirts, but he had some nice crisp radios. We bought one and he wrapped it up in next Tuesday's society section and we went out and climbed into our submarine and rode off. (We had to put on our goggles on account of the dust). Pretty soon we came up for air and, lo and behold, there was the coast of Denmark. We knew something was rotten there, so we got back into our auto and rowed away. In about three minutes, good old Peoria, Ohio, came into view. Our canoe was running out of gas and so we decided to make a landing. However, we couldn't find an airport, so we had to swim for it. We asked a man how to get back to Chicago, where our chicken farm was; he pointed south and away we went on our stilts. My brother bumped his head on a cloud, and I had to carry him most of the way. Poor fellow, he'll never be the same—neither will the cloud. Our train was three hours late, but finally we saw good old Pottstown about 50 miles off, and there was our cattle ranch, just as we had left it.

"Gentlemen of the jury, I rest my case."

Radio News

Sam Casey, president of one of the large networks, announces a program of interest to all Peoria High musicians, going on the air June 3 at 8 o'clock. It will feature the famous saxophone trio, Weems Anderson, Bernie Jones, and King Kahn.

Lincoln Lindstrom, taking the affirmative, and Douglas De Zelar, taking the negative, will debate the question "Resolved that Flies are Indispensable to a Picnic" over radio station P.H.S. when anyone requests it.

Willis Fitton will attempt to reach high C in an interesting experiment conducted by John Prochazka and Gordon Schmidt from the Music Hall of P.H.S.

Another interesting experiment is that in which Loretta Williams will attempt a cure for insomnia by her tap dancing. It is hoped that the steady rhythm will put the listeners to sleep.

"How to Stay Awake in Class" is the speech to be given by Randall Holzapple during Better Grade Week.

Suggestions for Killing Time

For the benefit of those who find that they have spare time in the study halls with nothing to do, six seniors recently consented to tell their methods for the prevention of clock-gazing or the good old stand-by, sleeping, during said periods.

Henry Holling confessed to the childish sport of aiming spit balls at the back of girls' necks, and Fred Kehl to counting flies. "The only correct way to do this," he added, "would be to catch each fly as it comes along (without killing it, of course. Be kind to dumb creatures) and mark it with

red ink so as not to count the same one twice." (One cannot indulge in this sport unless it is spring or summertime and unless the windows are closed, to prevent the exit of some of the flies and the entrance of others.) Robert Simpson says that he never has to devise his own means of entertainment. Some helpful faculty member always takes pity on him and tells him to pass the waste paper basket. Another good plan, as told by Ruth Latham, is to bring a grade school arithmetic book or high school algebra text and test your memory by seeing how many problems you can work. "If there were some kind of collapsible apparatus a girl could bring to cover her entire head," says Evelyn Moushon, "she could make up in secrecy in the study hall without fear of being reprimanded by a teacher." One more method, William Watson says, is to take heed of your study hall neighbors' wails by offering to help them with their lessons. The only fault with this is that it generally leads to one or more conference periods, during which you must think of more schemes as to how to occupy your time.

The following seniors revealed how they spent their spare time out of school:

Lorraine Lehmann, raising flowers to present to her teachers on exam days.

Margaret McNamara, writing letters to Clark Gable.

Val Portwood, making a special frame for his diploma.

Harry Stuart, exercising his girl friend's dog.

Ray Zimmerman, practicing proposing to the one and only girl.

Items of the Future

Members of the now famous Decrepit Political Party held a convention in Bloomville last week. Mr. Raymond Wilkey, president of the convention, presided at the dinner before the convention proper. Prominent leaders present at the dinner included Thomas Jamison, Ray Olson, William Rutherford, and the red-headed wonder, Warren Wemple. The next afternoon opened the convention where Eugene Herwig was unanimously nominated as the Decrepit candidate for the Presidency. Mr. Herwig was promised the full support of two counties. Congratulations, Mr. Herwig!

The music leaders of the township held their annual meeting last evening at the new Kipp Building in the loop. Mr. John Kipp, owner, very generously rented the store room to the musicians. Miss Frances Beyer sang "All Night", accompanied by Charlotte Jordon. Erma Magee acted as critic and displayed a great deal of talent. Jeanne Ronstram rendered a delightful selection on her harmonica. The final number, an inspiring sonatina given by Margaret Shurtleff, on her Jews-harp, dispersed the crowd.

The mechanics of this state are being reorganized. Glenn Kidder is the self-appointed head of the reorganization. William Lewis and Carl Weers have charge of spending all funds. Prom-

Minutes of a Senior Class Meeting

The meeting was opened as usual. (However that is). President Bertie MacSnitch called for order, but it didn't seem to be around. Yon Yohnson motioned for adjournment, but somebody objected; anyway, the officers said that there was some business to be discussed—but they couldn't for the life of them, think what it was. Tish, tish!

As a class memorial it was voted to leave each faculty member fresh individual toothpicks, wrapped in humidor packs.

Somebody wanted a treasurer's report, but that worthy, having swiped the funds, could only mutter into his beard, "Aw, nerts!"

A motion to abolish school was brought up. Abie Snickenhauser objected. A motion to abolish pipe smokers was brought up. Abie Snickenhauser objected. A motion to abolish class meetings was brought up. Abie Snickenhauser objected. A motion to abolish Abie Snickenhauser was brought up. Abie Snickenhauser objected.

"WE'RE SENIORS, TOO!"

Three senior girls, Frances Beyer, Dorothy Chrismore, and Mary Elizabeth French, did not have their pictures in the Senior section of the Crest. Frances spent her first three years at Peoria High, then attended Bloomington High School during the first semester of her senior year. She returned to P.H.S. at the beginning of the second semester, in order to graduate with her class. Her activities are: "Masque of the Two Strangers", "The Lucky Jade", "Try-outs", Dramatic Honor Society, National Honor Society, Music Club, Jusendra, Science and Math Club, Advisory Group President, Junior Tri-S, Big Twelve Contest, and 3rd place winner, Voice Contest at Illinois Wesleyan.

Dorothy Chrismore expected to move away from Peoria, but was able to change her plans and graduate from Peoria High. She belongs to Jusendra.

Mary Elizabeth French entered P.H.S. at the beginning of the second semester, coming from Shortridge High at Indianapolis.

Snap-shots of these girls will be found on the Senior snap-shot page, page 160.

Every day sees some man in desperate need of money because he did not save in anticipation of an emergency. Start your saving and banking plan early in life.

"CAREFUL OF YOUR SAVINGS"

THERE ARE ALWAYS—

SENIORS WHO:

- Hand in term papers written up just like those of preceding seniors
- "Can't remember dates"
- Become engaged or marry before the year is over
- Find it hard to write features for the year book
- Wish they were beginning high school again
- Receive blank diplomas
- Brag about the college they will attend
- Quit school a month or two before graduation

THOSE FROM ALL CLASSES WHO:

- Annoy teachers
- Insist on giving the excuse of outside activities when they don't have their regular work
- Are absent on examination days
- Are seen downtown on days when they are reported sick

NOW LET'S TRADE UP!

Cheapness is not economy . . . not thrift . . . not constructive. Cheapness in itself is destructive—it tears down. It cheapens the mind of the worker, his job in making a good product, his ambition. It cheapens the morale of business, of industry, of the people.

Full value for the price, yes! No waste, no graft; no exorbitant profits in an article from maker to consumer. But honest, genuine, full quality merchandise without skimp, or false-front or hidden defects—that's what the American people want.

• GOOD WILL •

THE most precious thing that a man or woman can possess is the good will of others: It is something just as fragile as an orchid, and as beautiful. It is as precious as a gold nugget and as hard to find. It is as powerful as a turbine and as hard to build. It is as wonderful as youth and as hard to keep.

WHAT TO DO IF YOU'RE CALLED UPON TO ANSWER A QUESTION YOU DON'T KNOW

1. Give one of these old excuses: you prepared the wrong lesson, left your book at school, or had unexpected company at home.
2. Develop a severe case of coughing, hiccupping, or giggling so that the teacher will call on the next person, or you can leave for a drink.
3. Suddenly remember a promised explanation which the teacher failed to give.
4. Kick the leg of a person near you. He may be good-hearted and whisper what you don't know.
5. Don't answer.

Knowledge is Power

May we again congratulate the students of Peoria Central High, particularly the Class of 1932, upon the successful completion of their high school education, and wish them success!

The Commercial Merchants' National Bank and Trust Company believes in education. It believes that ignorance is costly and that knowledge is power.

We pledge our support to all programs of educational development, knowing full well that the future of our city, state, and nation is in the hands of the youth—the men and women of tomorrow.
